Kinball Martos Club

Martos Kinball Club and the Asociación Didáctica Andalucía are delighted to welcome you to the International Junior Open "Ciudad de Martos 2018". This is to be held from 19th – 22<sup>nd</sup> July 2018, as those are the dates provided to us by the Martos Town Hall and also the ones on which we will have full access to all the sporting facilities.

The principal aim of the organising committee is to make sure that every child who takes part in the tournament enjoys themselves and can experience the range of values that our sport offers: companionship, equality, friendship, solidarity, and having fun among others. With this in mind, we have made a great effort to ensure that the prices are as low as possible, so that any team wishing to take part in the championship is able to do so.

We should also mention that we would not be able to stage this event without the support and collaboration of the International Kin-ball Federation, as well as all our sponsors.

Please don't hesitate to get in touch if you have any queries.

We are very much looking forward to welcoming you to Martos.

Kind regards,

Francisco David López Centeno.

### ACCOMMODATION:

Below, you will find a list of hotels available within Martos and the surrounding area.

Hotel "Twist" in Torredonjimeno is 4km from Martos and "Hotel Estación" in Jaén is 25km away. A shuttle bus between these two hotels and the town of Martos will be provided and paid for by the organisation and will make two journeys each day, one to Martos in the morning and one back to the hotel following the evening meal. Also try to put urban transport within the town, although hotels are relatively close to the sports center.

Within the town, there is public transport that runs every day of the week and goes from Martos-Torredonjimeno-Jaén every 30-45 minutes. But the organization only puts one bus in the morning and another in the evening to the hotels "Estación" and "Twist". The cost of the bus that does not place the organization is approximately 3 euros per person and that money will be paid instantly to the drivers on the same trip. The transportation that the organization organizes is free.

When you have chosen the hotel that best suits your club, please inform us of your choice at the following email addresses:

[kinballmartosclub@hotmail.com](mailto:kinballmartosclub@hotmail.com)

[david.centeno@hotmail.com](mailto:david.centeno@hotmail.com)

Once your club has confirmed your choice of hotel, we will check that the required number of rooms is available and at the time I confirm availability you will have 5 additional days to make an initial payment of **160 euros per team**. If no payment is made in this period, your hotel rooms will be available to the other clubs.

This cost of 160 euros corresponds to the championship registration fee.

**FOOD:**

During the championship, breakfast, lunch and dinner will be provided for every child, coach and any travel companions and family members. The cost of this will be 15 euros per person, per day. The number of children and companions wishing to take up this offer must be noted on the registration form.

# Kinball Martos Club

We would also like you to note whether any of the children who come to the championship suffer from any type of food allergy, intolerance or who have any other dietary requirement.

Please note that meals are not provided on the 18<sup>th</sup> or 23<sup>rd</sup> July. We can, however, make recommendations regarding places to eat on these days.

We, at the club eagerly await news of your participation in the championship and would once again like to remind you that in order to reserve your choice of accommodation, you should firstly indicate your hotel preference and upon our confirmation that these rooms are available, make **an initial payment of 160 euros per team** within 5 days.

Summary of the costs of the championship	
Initial payment (registration)	160 euros per team
Meals	15 euros per person, per day
Airport bus	Cost depending on the arrival airport
Hotel	Cost depending on the chosen hotel

The deadline to reserve the hotel and make the first payment is **31st March**. Once you have let us know your choice of hotel, we will send you our bank account details.

The second payment must be made two months before the tournament, before **May 19** and in which transportation, diets and accommodation would be included.

If any team for any reason can not go to the championship and has already paid the registration fee, this money will be returned to the club if it is requested two months before the Championship since with that money they must cover the tournament expenses before let it begin.

Kin-ball Martos Club also wishes to thank the large number of sponsors who have helped us to stage the International Junior Open.
